

ATTENTION THIRD AND FOURTH GRADE TEACHERS!

THE BUS IS ON US!

TCA/THE TOLL ROADS ARE OFFERING FREE BUS TRANSPORTATION TO VISIT THE **"FOSSILS IN THE FAST LANE"** EXHIBIT NOW ON DISPLAY AT THE HISTORIC OLD ORANGE COUNTY COURTHOUSE MUSEUM

The Foothill/Eastern Transportation Corridor Agency, which operates the 241 Toll Road, is pleased to offer free bus transportation to Orange County schools to visit "Fossils in the Fast Lane," a free exhibit featuring some of the 20,000 fossils discovered during construction of the 241 Toll Road in eastern and southern Orange County.

This interactive exhibit meets California State Science Content standards for third and fourth grade levels. In addition to seeing actual fossils of Ice Age and dinosaur-age animals, children will learn how these ancient creatures lived, ate, and moved throughout Orange County.
